EMPLOYMENT:

[August 2010-present] – ACMT Mac Genius, Apple Retail Store Ross Park

I provide technical support for users of Mac and iOS devices, and have also provided personal training on various software products, including iMovie and Final Cut Pro.

[August 2008-May 2009] – Staff, S.I. Newhouse School of Public Communications Edit Suites

Maintained and provided technical support for Final Cut Pro and Avid Media Composer editing suites for use by Newhouse students. Trained others on FCP, Adobe After Effects and video compression techniques.

INTERNSHIP EXPERIENCE:

[June 2008] – Production Office Intern, *Shannon's Rainbow*

Worked as both office and set PA for feature film shoot in Washington, PA. Made sides, organized production records.

[Summer 2008] – Web Multimedia Intern, WDUQ FM

Assisted in development of new web site backend, implemented automated system for digital delivery of radio newscasts through NPR Mobile.

SELECTED FREELANCE WORK:

2012 – Digitally enhanced/replaced props using After Effects for independent film “Terminus.”

2006-2011 – Shot and produced sets of video interviews for the presentation of the LWV of Greater Pittsburgh’s annual Good Government Awards.

2010 – Shot and produced promotional video for the Watson Institute’s Friendship Academy.

2010 – Operated FCP graphics station for Break The Floor Productions’ live dance competition, “Jump,” at Sheraton Station Square.

2009-2010 – Shot and produced several promotional videos, and created customized YouTube channel for Leadership Pittsburgh, Inc.

2009 – Worked as Digital Assistant for World Golf Tour, Inc. Imported and organized several thousand digital photos using Adobe Lightroom.

2009 – PA for TV commercial shoot w/ Keith James Creative Services (Spartan Health Surgicenter).

ACTIVITIES

2007-present – Writer, illustrator, and web designer of web comic at DirectionlessComic.com

2005-present – Maintain personal blog at devnull42.blogspot.com
